7. The Interdepartmental Group on Terrorism

The IG/T handles matters of government-wide anti-terrorism policy formulation and coordination including such things as contingency planning, protective security and international initiatives. It is comprised of representatives of Federal agencies with direct responsibility for anti-terrorism policies or programs, including the FBI, the Departments of State, Defense, Justice, Treasury and Energy, and the CIA, the FAA, and the Joint Chiefs of Staff. The Vice President's Office and the NSC are also represented.
